AMENDED COMPLAINT

Plaintiff, RICHARD P. NOEL (“Plaintiff” or “Mr. Noel”), by counsel, hereby files this Amended Complaint against Defendant, WAL-MART STORES EAST L.P. (“Defendant” or “Wal-Mart”), for injunctive relief, attorney’s fees and costs pursuant to 42 U.S.C. § 12181 et seq. (hereinafter “Americans with Disabilities Act” or “ADA”). Plaintiff also brings this Amended Complaint against Wal-Mart and Dr. Rhonda Blake (“Blake”) for injunctive relief, damages, attorney’s fees and costs pursuant 29 U.S.C. § 794, Section 504 (hereinafter “Section 504 of the Rehabilitation Act”) and alleges:

JURISDICTION AND PARTIES

1. This is an action for declaratory and injunctive relief pursuant to Title III of the ADA, 42 U.S.C. § 12181 et seq. and for declaratory and injunctive relief pursuant to Section 504 of the Rehabilitation Act, as well as compensatory and punitive damages pursuant to Section 504 of the Rehabilitation Act. This Court is vested with original jurisdiction under 28 U.S.C. §§ 1331 and 1343.

2. Venue is proper in this Court, pursuant to 28 U.S.C. § 1391(b) and Local Rules of the United States District Court for Southern District of Indiana.

3. Plaintiff is a resident of Marion County, Indiana and is a qualified individual with a disability under the ADA as he is, among other qualifying things, profoundly deaf and communicates in American Sign Language.

4. Defendant Wal-Mart is a foreign corporation that is conducting business in the State of Indiana. Upon information and belief, Defendant operates a Vision Care medical care facility located at Store # 2787, 7325 North Keystone Avenue, Indianapolis, Indiana, 46240.

5. Defendant Blake operates the Vision Care medical facility at issue.

6. All events giving rise to this lawsuit occurred in the Southern District of Indiana, thus venue is proper.

7. There is a real and immediate threat of future harm, and there is a likelihood that Mr. Noel will be going back to Defendants' premises, and it is also likely that Mr. Noel will suffer blatant discrimination at the hands of Defendants; in support thereof Mr. Noel alleges the following to establish standing:

a. Mr. Noel has suffered from recurrent problems with his eyes and his contact lenses, for which he requires medical treatment and proper fitting;

b. Mr. Noel lives in close proximity to Defendants' Vision Care facility;

c. Mr. Noel attempted to schedule an appointment with Defendants, identified to Defendants that he was deaf, and requested that a qualified sign language interpreter be provided during his appointment. Defendants refused this request and informed Mr. Noel that Defendants do not provide sign language interpreters.

d. Defendants refused, and continue to refuse, to provide a qualified sign language interpreter for Mr. Noel, despite his repeated requests;

e. Mr. Noel still desires to be treated at Defendants' premises and to

purchase vision related prescriptions and merchandise and he intends to return to Defendants' premise in the future.

FACTS

8. On or about January 19, 2006, Mr. Noel contacted the Wal-Mart Vision Center via telecommunications relay service ("TRS") and spoke with a representative who identified herself as "Lisa." Mr. Noel informed Lisa that he was experiencing problems with his contact lenses, which he believed were causing infections in his eyes. Mr. Noel scheduled an eye exam for February 1, 2007, informed Lisa that he was deaf and requested that a qualified sign language interpreter be provided for his appointment. Lisa told Mr. Noel that Wal-Mart did not have a sign language interpreter, and stated further that she believed an interpreter was not necessary because they could communicate with a pen and paper. Mr. Noel reiterated his need for a sign language interpreter, and told Lisa that he was not able to effectively communicate in written English. Lisa then informed Mr. Noel that he needed to speak with the Optometrist about the sign language interpreter issue. Mr. Noel's telephone call was placed on hold and, a few minutes later, an individual identified herself as "Dr. Blake." Mr. Noel again explained his need for a sign language interpreter. Dr. Blake told Mr. Noel that she needed to speak with Wal-Mart's manager to determine whether a sign language interpreter would be provided. Dr. Blake then told Mr. Noel that she would contact him "within a few days."

9. On January 23, 2007, Mr. Noel again contacted the Wal-Mart Vision Center via TRS because he had not been contacted as promised. Mr. Noel's call was transferred to Dr. Blake, who informed him that Wal-Mart would not provide a sign language interpreter.

10. Mr. Noel still desires to be treated by Wal-Mart Vision Center regarding his medical condition and need for prescription contact lenses and vision-related merchandise.

11. Defendants have refused to provide a qualified sign language interpreter and have denied medical treatment to Mr. Noel. Because of his disability, Mr. Noel is being excluded from Defendants' services.

12. Defendants' actions have caused Mr. Noel to experience shame, anxiety, emotional distress, fear and discrimination.

13. Defendants willfully, knowingly and intentionally discriminated against Mr. Noel in violation of Title III of the ADA and Section 504 of the Rehabilitation Act and caused Mr. Noel to suffer and continue to suffer mental and physical pain and anguish.

COUNT I

DEFENDANT WAL-MART VIOLATED TITLE III OF THE ADA

14. Plaintiff re-alleges and incorporates by reference the allegations of facts in paragraphs one through thirteen.

15. Plaintiff is an individual with a disability under Title III of the ADA and met the essential eligibility requirements for Defendants' services at all times material hereto.

16. Defendant operates and provides a public accommodation and must provide qualified sign language interpreters when necessary to provide effective communication.

17. Defendant violated Title III of the ADA when it:

d. Excluded Plaintiff from services and denied Plaintiff the benefit of these services due to his disability.

18. Plaintiff has been and will continue to be denied access to, and the benefit of, services available at the Wal-Mart Vision Center because Mr. Noel has a definite need and intention to return to the Wal-Mart Vision Center in the future.

19. Mr. Noel has a realistic, credible, existing and continuing threat of discrimination from Defendant's continuing violations of the ADA based on the violations set forth in this Complaint. Mr. Noel has a reasonable fear he will continue to be discriminated against in violation of the ADA unless he is afforded injunctive relief by the Court.

- b. To promulgate and comply with policies and procedures to ensure that Defendants and its staff do not discriminate against individuals who are deaf and hard of hearing.

This notification will include posting explicit and clearly worded notices that state the Defendants will provide sign language interpreters, TTYs and/or other communication services that ensure effective communication with deaf and hard of hearing persons.

e. Award compensatory and punitive damages under Section 504 of the Rehabilitation Act.

f. Award reasonable costs and attorney's fees; and

g. Award any and all other relief that may be necessary and appropriate.
